Summary of Experience:

Twenty-six years experience in the accounting profession, including public practice as an auditor, management consultant, and litigation consultant and in private industry in various middle and senior management roles.

February 1989 – present. Principal/Owner of a management consulting and litigation consulting boutique firm, Scott Consulting, P.C. (from 1989 – 2003, the firm's name was CFO's Advantage). Management consulting includes turnarounds, start-ups, mergers & acquisitions, major company transitions and special management projects. Litigation consulting in the areas of fraud investigations, commercial disputes & economic loss calculations and business valuations. The firm has strong relationships with other forensic CPA firms enabling it to service projects of various sizes. Paul has testified as an expert witness in various litigation matters and served a variety of industries.

March 1986 – February 1989. TransTechnology Corporation, Sherman Oaks, CA. Corporate Accounting Manager for this \$400 million aerospace and technology company. Responsible for all internal and external reporting, consolidated financial statements, budgets, external audits liaisons, etc. Reported directly to the CFO.

November 1985 – April 1986. The Disney Channel, Burbank, CA. Senior Financial Analyst during the startup phase of the company. Responsible for the production side of operations (contracts, analysis, budgets, cash flow, etc).

April 1982 – November 1985. The Garrett Corporation, Los Angeles, CA. Corporate Accounting Supervisor of this \$2 Billion Aerospace Company. Responsible for the consolidation of financial data worldwide and the accounting for Corporate Headquarters.

June 1978 – December 1981. Senior Auditor for KPMG, Portland, OR, an international CPA firm. Participated in a wide variety of audits for public and private companies, financial institutions and government entities.
